

WNTC To Leave Air

Will Return To Air In Month Of Sept.

Spring Festival On Air Tuesday

On Tuesday evening, May 25th, at nine. Campus Station WNTC, 640 on the dial, will rebroadcast the annual "Spring Festival of Music" to be held in the State Teachers College Auditorium on Sunday, May 23rd.

For many years the "Spring Festival" has been one of the leading presentations of the Crane School, and now, for the first time, through the facilities of the Campus Station WNTC, it will be brought to the listeners at home. This is a continuance of the station's policy of broadcasting special events.

Robert Shaw will be guest conductor on this year's program. Mr. Shaw, a native Californian, is one of the most important figures in the choral field. He is the founder and conductor of the Collegiate Chorale in New York, and is Director of Choral Music at the Juilliard School.

At an executive board meeting held Friday afternoon, May 14, it was decided that Campus Station WNTC would go off the air for this term on Friday, May 28. Any broadcasting carried on after that time will be either of a special or an emergency nature. The station will return to the air shortly after the opening of school in the Fall. In the meantime, during the summer, construction of a permanent station will continue under direction of Dan Weinberg, business chairman.

The station's record drive is continuing. Latest to contribute to the growing stack of discs are Dean William Farrisee, Professor Norman Hoy and Professor William Sawyer, Phil Klein, Bill Becker, the Housing Project, Nick Sfikas, Walter Nickerson, Dave Schaal, Charles Hugmes, Mr. and Mrs. Ray Thompson, and Mrs. Frank McRobbie. In addition Delta Kappa and O Pi O have given ten dollars each, and RCA Victor, in accordance with its distribution policy, has donated several new releases.
